

## Attendance Policy

Students must maintain at least 75% attendance to remain eligible for final examinations.

Late attendance may still count toward attendance according to institutional attendance rules.

## Fee Policy

Students are responsible for paying course fees according to the institutional fee schedule.

A student whose payment is incomplete may have a Partial payment status.

## Enrollment Policy

Students may enroll in available courses subject to institutional enrollment requirements.

An enrollment can later become Active, Completed, or Dropped according to the academic process.

## Exam Policy

Final examination eligibility may depend on institutional academic and attendance requirements.

Students should consult the applicable policy before assuming eligibility.
